

Valor Community Outreach Program

Hospice works best when it is embraced by its community. Our core values include reaching out to the community to provide education on hospice and palliative services. We provide speakers to local organizations and businesses from Valor HospiceCare & PalliativeCare disciplines to discuss various topics on end-of-life issues.

Current presentations include:

- Advance Directives, Legal Issues and The Vial of Life
 - Issues in End-of-Life Care
- Hospice Care: The Hospice Benefit and Services Provided
 - The Grief and Healing Process
 - Healthcare Decisions and the "Five Wishes"
 - Advance Care Planning for Medical Professionals
 - Open Access – What It Means to the Community
- Admissions Process & Using your Entitled Insurance Benefit
 - Pain Management & PalliativeCare Conferences

For seminars, conferences and presentations that meet the needs of health care professionals, CEU's may be provided. For further information on Valor HospiceCare & PalliativeCare's patient and specialized programs for community outreach, please visit www.valorhospicecare.com or call 877.615.3996.
